Cancellation of hosting and domain services

Hereby I cancel my service agreement with MandoraWeb covering following services:

Server plan with username _____

and domain service for _____

Technical deactivation of services shall be executed:

☐ immediately (standard, according to terms and conditions

☐ on _____ (Date) (handling fee dep. on expenditure of time)

Domain name shall be

☐ closed (standard, according to terms and conditions)

Given that the domain is under the management of MandoraWeb and a close is possible from the registry's side.
I am aware, that all my rights on the mentioned domain name(s) cease finally.

☐ transferred to following registrar: _____

(handling fee dep. on expenditure of time, plus any possibly charged registry fees)
I hereby request the acknowledgement of MandoraWeb for domain transfer exclusively to the mentioned registrar.
If there exist any unsettled payment obligations for my service agreement, acknowledgement for domain
transfer shall not be provided by MandoraWeb. If MandoraWeb does not receive any transfer request by my
new registrar within 30 days, the mentioned domain name(s) shall be returned to the responsible
registry or, if this is not possible, be closed and thus be available for registration by anyone.

Reason for cancellation (optional): _____

As holder I declare, that I will not ask for payback of any invoiced amounts. MandoraWeb shall be hereby free
from any liability and duties regarding above mentioned services. All rights and duties concerning this service
agreement shall be valid until the end of this agreement. I understand and accept and the terms and conditions of
MandoraWeb (http://www.mandoraweb.de/en/terms-and-conditions/), the acceptable use policy as well as the
price list shown at http://www.mandoraweb.de In case of handwritten crossings and / or additions this document
shall not be deemed a valid cancellation. Please send a confirmation note concerning this cancellation to my
email address specified in CustomerCenter.
